

# Hatley Village Association

## Bring us your skills

We need your skills to bring fresh ideas and energy to the things which happen in Hatley – you know, the quizzes, dances, discos, race nights, talks, Pancake Races, the Christmas Tea and the Coffee Mornings.

Apart from being fun, entertaining and the chance for a good natter, they raise money to improve the Village Hall and for other Hatley community projects.

The new kitchen, the central heating boiler and help towards new equipment in the play area in Hatley St George and the new defibrillator are just four 'results'. One future project is new loos for the Hall.

**To make it happen, we need more help please on *everything* to do with raising money. What skills do you have?**
