

# THE GAMLINGAY AND HATLEYS CAR SCHEME

Here to help you.

Do you need help getting to your Covid 19 vaccination appointment?

All drivers are DBS checked and operating within Covid guidelines.

A trip to the Stevenage vaccination centre will cost you £10. If cost is an issue, Hatley Parish Council can help – please ring Margot Eagle on 01767 651649 to discuss this further.

To use the scheme, please ring **07519 493 701**. If the phone is unmanned, a recorded message will ask you to leave your name and phone number(s) – the booking coordinator will ring you back as soon as possible.

A journey is not booked until confirmed by the coordinator.

Transport by approved volunteer drivers is organised for anyone who can't provide their own transport and where public transport is unsuitable or non-existent.
