Harvest Celebrations

Well done and thank you to everyone who contributed to the Harvest celebrations in our churches - those who decorated church, those who donated and those who have helped distribute the donations. A special thank you to Everton School for bringing children to the Sunday service and offering a song and contributing lots of produce for the Prebend Centre.

See if you can identify which church the pictures on the next page are from (some more obvious than others).

I was, sadly, unable to attend Everton's Harvest Supper last week. I understand that a small but highly enjoyable gathering took place raising £145 which it has been agreed will go to the building fund. Well done to organisers and thank you to all who supported this event.

Gamlingay Harvest Supper takes place this Saturday.

Harvest of Talents

This didn't get published at the Harvest services and I sadly haven't been able to be the Harvest Suppers to drum up support, but the offer is still there. There will be slips of paper in church to give in return for a sum of money to grow.

I am donating £100 to each of Gamlingay and Everton, and £50 in Hatley to be made available to anyone who will take and increase the value of the donation by whatever means they have at their disposal (I'm thinking here legal and kind!).

Let me know the value of the talent you want to use which I will be looking to collect back by the beginning of the new Church year. This money will go to the work of the churches of the people who take the money but it will be for the PCCs to decide exactly what that will be. In Gamlingay it is likely to be the roof and window repair work; at Everton it might be the work on the clock; in Hatley it could boost the building fund against the significant monies needed towards drainage work on the church.
